Samuel L. Clemens, popularly known as Mark Twain, is considered by many people to be one of the greatest writers in American history. He was born in Florida, USA in 1835, and was the sixth of seven children in his family. When Twain was only 11, his father passed away. To help his family, he started to work and wrote short stories for a newspaper. Twain also continued his **studies** by reading hundreds of books in public libraries every evening. After several years of hard work, Twain became a steamboat pilot and got a chance to travel along the great Mississippi river. He saw many interesting things in his trips and used these experiences to write short and funny stories. Mark Twain's writings became very popular because his style was very different from other writers at that time. Most other writers had a serious style which Mark Twain didn't like. Twain often wrote stories that gave readers a happy feeling. Today, Mark Twain is still famous all over the world for his wonderful stories. One of his most famous stories is the *Adventures of Huckleberry Finn*.

consider 認為; pass away 逝世; continue 繼續; steamboat pilot 汽船領航員; style 風格
