The Chinese animal signs are a 12-year cycle used for dating the years.

According to Chinese legend, the twelve animals quarreled one day. Every animal wanted to be the _____ 29 _____ of the 12-year cycle. The Great God _____ 30 _____ to decide and he held a contest: whoever arriving the opposite bank of the river would be the first, and the other animals would receive their years according to their finish.

All the twelve animals got together at the river bank and jumped in. Unknown to the ox, the rat had jumped upon his back. When the ox was about to go ashore, the rat jumped off the ox's back, and won the contest. The pig, who was very lazy, ended up last. _____ 31 _____ the rat is the first year of the animal cycle, the ox the second, and the pig last.

The animal signs are a useful way for finding out people's ages. Instead of asking _____ 32 _____, people often ask what his animal sign is. Sometimes, people ask for animal signs not to find out a person's correct age, but to simply know who is older among friends.

Eva and Daisy are roommates, but they have very different interests and habits. Eva goes to bed early, but Daisy is a night owl. Eva takes classes in the morning, and Daisy takes night classes. Eva likes to study in a quiet place, but Daisy usually listens to music, even at midnight. Eva likes to keep her desk clean. She will go crazy if she finds something dirty on the floor. Daisy's desk is always messy and Eva hates it. They don't like each other but they have to live together.

Have you ever had the same experience like Eva? Have you ever had to share an apartment with a stranger or a friend? Living with other people is not easy because we come from different families. To be a good roommate, follow these tips:

1. Keep your room clean.
2. Never touch your roommate's things without asking first.
3. Always turn down your TV or radio.
4. Share or decide what to share.
5. Be nice, polite, and honest.

- ()35. What does "a night owl" mean?

- (A) A person who spends lots of money on clothes.
(B) A person who seldom takes a shower.
(C) A person who goes to bed late and is active at night.
(D) A person who gets up early.

messy 雜亂的

active 活躍的

Since time unknown, people have been interested in knowing what will happen in the future. Fortune-tellers are people who say that they can see into a person's future. We all know that Gypsy fortune-tellers usually see one's future in the crystal ball. In some countries, fortune-tellers "read" cards, like tarot.

The Chinese have many different methods. Face Reading is a popular method. The Chinese believe that the face of a person can help predict his future. The reader can predict a person's fortune, marriage, and children by looking at his face. Palm Reading is another method. The lines of the palms are used to predict fortune, health, marriage, and other things of a person.

Fortune-telling is popular all over the world. However, we should remember knowing our future luck doesn't help us a lot. Hard work is the key to success.

Gypsy 吉普賽; crystal 水晶; tarot 塔羅牌; method 方法; predict 預言;
marriage 婚姻; palm 手掌

()38. In this reading, which is NOT used to tell a person's fortune?

(A) A ball. (B) A toe. (C) Cards. (D) A person's face.

()39. Why do people go to see fortune-tellers?

(A) To look at others' faces.

(B) To be good at playing cards.

(C) To predict whether the fortune-teller is right.

(D) To find out what will happen in the future.

()40. Which is **true**?

(A) Listening to fortune-tellers is more important than working hard.

(B) Few people believe what the fortune-tellers say.

(C) Face Reading is the only way that Chinese fortune-tellers use.

(D) Tarot is used for telling what will happen to someone in the future.
